Cool Room Shelving Kit

The KH Adjustable Plastic Coolroom Shelving Kit is perfect for commercial quality and food grade use around Australian restaurants, kitchens, outdoor events and similar locations. Made with an inner steel core and polypropylene (PP) outer. Inner steel core provides durability. Outer PP is anti-corrosion, break-resistant and easy to wipe and clean

With its professional-looking brushed graphite color and great durability, this vented unit is perfect for any area of your business, even humid rooms or cold walk-in freezers
